

## CORPORATE GOVERNANCE STATEMENT FY 2025

This Corporate Governance Statement reports the governance processes and procedures in place at Firebird Metals Limited (**Firebird** or the **Company**) as at 30 June 2025 and has been approved by the Board of the Company as at 30 September 2025.

This Corporate Governance Statement is also provided on our website at [www.firebirdmetals.com.au](http://www.firebirdmetals.com.au), together with copies of our Board and Board Committee Charters and some of the Company's key policies. The ASX Appendix 4G, which is a checklist cross-referencing the fourth edition of the ASX Corporate Governance Principles and Recommendations (ASX Recommendations) to the relevant disclosures in the Corporate Governance Statement and the 2025 Annual Report is also provided on that website.

### **Commitment to Good Governance**

The directors of Firebird believe that effective corporate governance improves company performance, enhances corporate social responsibility and benefits all stakeholders. Governance practices are not a static set of principles and the company will assess its governance practices on an annual basis. Changes and improvements are made in a substance over form manner, which appropriately reflect the changing circumstances of the company as it grows and evolves. Accordingly, the Board has established a number of practices and policies to ensure that these intentions are met and that all shareholders are fully informed about the affairs of the Company.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

### **ASX Corporate Governance Council's Principles and Recommendations (4th Edition)**

Firebird reviews all of its corporate governance practices and policies on an annual basis to ensure they are appropriate for the Company's current stage of development. The establishment of the corporate governance practices and policies was made with consideration to the ASX Corporate Governance Council's Principles and Recommendations (fourth edition) (**CGRs**).
